Supplemental Type Certificate

(Continuation Sheet)

Number SR09562RC

Date of Issuance: December 22, 2009

Description of Type Design Change (Continued):

Airworthiness, Aero Dynamix, Inc., Document No. ICA 269C-01, Revision --, dated November 06, 2009, or later revision is required for this installation.

Limitations and Conditions (Continued):

affect the compatibility with NVG and may require a re-evaluation by the FAA Aircraft Certification Office (ACO). Once the aircraft is modified with this STC, any future modification to the aircraft may also affect compatibility with NVG and may require re-evaluation by the FAA ACO. The installer must determine whether this design change is compatible with previously approved modifications. If the holder agrees to permit another person to use this certificate to alter the product, the holder shall give the other person written evidence of that permission.
